

There Are Just 4 Ways to Grow Your Business

KeyPlay Motivators:

"Action is a great restorer and builder of confidence. Inaction is not only the result, but the cause of fear. Perhaps the action you take will be successful; perhaps different action or adjustments will have to follow. But any action is better than no action at all."

"Insanity: doing the same thing over and over again and expecting different results."

Basically there are four ways to create a more profitable and valuable business:

1. Increase the Number of Customers (of the type you want)
2. Increase the Number of Times customers come back
3. Increase the Average Value of each sale
4. Increase the Effectiveness of each Process in the business

Theoretically it's that simple. If you could increase each one of these 4 factors by just 10%, the combined effect would be a 46.4% increase in your business!

Is it possible? Yes, it is.
