

## ***The KeyPlay Pledge of Allegiance***

Let our clients know, potential, past, & present, that we will do our best to act professionally with integrity where words equal deeds. Let all know, whether they wish us well or ill, that we shall pay any price, bear any burden, meet any hardship, support any friend, oppose any foe, to assure the survival and the success of our business vision and ideals and the fulfilment of our ethical, legal and client obligations.

This much we pledge and more.

To those whose vision and expectations we share, we pledge the loyalty of faithful friends, within and beyond the sphere of business. United, there is little we cannot do in a host of cooperative ventures. Divided, there is little we can do, for we dare not meet a powerful challenge at odds and split asunder.
